The Little LIONHEARTS

A special club for
the steam railway
people of the future

3-15
years of age

Did you know
that the lion on our logo
is called... **Percy?**

All photos: Mandy Grant

Percy the lion has become a symbol of the Percy family. The Percy family own Alnwick Castle and many other plots of land around the country, including the land that Lionheart Station currently sits on.

A Good view from the footbridge!

What do I get if I become a Little Lionheart?

-  **A goodie bag**
-  **A special Birthday and Christmas card**
-  **A memorable day at Aln Valley Railway especially for Little Lionheart members**
-  **Updates about what is happening at the railway**

One passenger gets to grips with how a steam engine works.

The children are the future of our railway! We want to ensure that the young people of today have sufficient interest and knowledge in the railway and the engines to be able to continue the work of the Trust. Aln Valley Railway has made astounding progress given that we started our journey in the middle of a field with not one bit of track in site!

The Little Lionhearts is a newly launched club and at only £25 per year, makes the perfect Christmas or Birthday present, or a 'just because' present for the young person in your family.
